

FOREIGN EXCHANGE STUDENTS

Foreign Exchange students who are approved and placed with a District resident only by Rotary International, American Field Service or American Scholastic Association International may attend the District school in the attendance zone of the resident with whom they are residing, provided the District resident has accepted responsibility for parental control. Such students may attend without the payment of tuition, and no more than 6 full-time foreign exchange students shall attend District schools during any school year. Such students are subject to the same rights and responsibilities of resident students, and are subject to the District Code of Conduct.
