Dear Parents and Guardians:

We wanted to make you aware that on the afternoon of Thursday, March 16<sup>th</sup>, we learned that a student at the high school allegedly made concerning statements indicating an intent to endanger the welfare of specific staff members. The High School Administration immediately contacted the Corning Police Department who responded and conducted an investigation that resulted in the student being removed from the school.

The District has and will continue to cooperate with the Corning Police. Due to the ongoing criminal investigation, we cannot comment further about this specific incident. However, we want to reassure you that we are confident that our students were not in any immediate danger. We have many procedures in place to maintain a safe environment in all of our schools. All threats to our schools, staff, or students are taken seriously, investigated thoroughly and appropriate follow-up actions are implemented; a safe educational environment is our utmost priority.
