Students are the center of all we do.

William E. Severn Elementary School

John Whaley, Principal

June 19, 2017

Dear Severn Families,

I am writing today with some information relative to the end of the school year and office locations for the Summer of 2017.

First, let me apologize that there has been a hold up on our yearbooks for this year and they will not be ready for distribution until later this summer. For those of you who ordered a yearbook please be assured that you will receive a 2016-17 yearbook in the mail. We anticipate these arriving in your homes by August 1st. Again, please accept our apologies on any inconvenience that this may cause.

Second, due to the continuing construction at Severn, there will be no staff in the building this summer. Our office staff, (Ms. Fratarcangelo, Mrs. Dimick, and Mr. Whaley) will be relocating to Corning Painted Post High School effective June 26th. If you need to contact the office you can use the Severn phone number to reach us at the High School. You can also email us at gfratarcangelo@cppmail.com, mdimick@cppmail.com, or jwhaley@cppmail.com.

When we return in the fall we anticipate that the bulk of the construction will be completed and we will be returning to normal. Please look for a letter this summer with any additional changes to schedule or traffic patterns for the beginning of the school year.

I want to thank you all for your patience over the past 18 months. This has been a massive project and has disrupted a large part of our building and our schedule. You, your children, and the staff have done an incredible job of keeping it business as usual. You all have my sincere appreciation for your continued support of all that we do at Severn.

I hope that you all have a safe and restful summer.

Sincerely,

John Whaley
Principal
