

**CORNING-PAINTED POST AREA SCHOOL
DISTRICT
STUDENT PROJECT (written or drawn works)
RELEASE FORM**

Throughout the school year, student works may be featured on a District or District School webpage. The District uses the website to provide the public with information about our District and promote news taking place in our schools.

Websites are designed to protect students, families, employees, and any other persons from unwanted disclosure of personally identifying information. When a student work is posted to the webpage, he or she will be identified by first name, grade, and school activity only.

We wish to feature an example of your son or daughter's written or drawn work on the school's Internet webpage. Please sign the form below:
