

## **Registration Requirements**

The Corning-Painted Post School District utilizes a school based registration process. In order to register your child or children in any Corning-Painted Post Schools, please be advised that there is a specific process to follow. You must go to the office of the school your child will attend during regular office hours from 8:00am – 4:00pm to do the registration. It is always best to call ahead to make an appointment. All students must be registered by a parent or legal guardian.
