

## **Welcome to 7th Grade!**

We look forward to seeing you for our first day on Thursday, September 10th. On that day, we will see Cohort A in person, while Cohorts B and C will be virtual. **It is critical that you have your student join their Google Classrooms on the platform by Wednesday evening.** If you are a Cohort B student and need your district-issued device before Friday, September 11th, you may pick it up at the Middle School on Wednesday September 9th from 2pm to 6pm at the Middle School. *Cohort C students:* You may pick up both your device AND your supplies on Wednesday during the same time frame.

As for school supplies, the district will be providing each student with two 2-pocket folders (one for Language & Literature, and one as a take-home folder for homework assignments and important handouts), one highlighter, a set of earbuds, a facemask with a lanyard and a water bottle. Each cohort's room will also have extra pencils, looseleaf paper and cap erasers, to be distributed to students as needed. For any new student who has not received foreign language instruction before this year, we will also happily provide a binder for those materials that accumulate over the MYP sequence. You may want to provide a backpack to transport materials, including Chromebooks, to and from home.

We recognize that this school year will look a little different, but we look forward to seeing you soon. Enjoy the rest of your summer break!

Stay healthy,
