

GRADUATION REQUIREMENTS

The Board of Education will determine the graduation requirements of the District in accordance with the Regulations of the Commissioner of Education. Corning-Painted Post Area School District students will be eligible for all state approved diploma types (see <http://www.nysed.gov/curriculum-instruction/general-education-and-diploma-requirements>).

The District will send notices concerning this policy to parents or guardians of students under 18 years of age who are not meeting the graduation requirements. Such notices will be sent in writing during the students' junior and senior year, once by November 30th and again by January 31st. The Superintendent will maintain administrative regulations to assure that parents and guardians are notified.

The Board of Education will review this policy annually.
